Matt Fazio, Ph.D.
Communications and Development
Supervisor

Presented by **Matt Fazio**, Ph.D., Communications and Development Supervisor at Donnelly-Boland and Associates.

Small businesses and non profit organizations often have a difficult time marketing their products and services. Learn more about social media practices, advertising, and brand development to help expand your presence!

All attendees will have an opportunity to have a professional headshot taken and edited by our team. We will email the final version to you at no cost.

Psst... this is a chance to update your old LinkedIn profile.
