President's Corner

Although the accounting isn't finalized, I can confidently say that our 51 Communities Golf Outing was a tremendous success. Under the leadership of Bob McKown (**Goff Backa Alfera & Co. LLC**) and Mary Halerz (**Dr. Drain**) and their amazing team of volunteers, we all enjoyed a fun filled event that truly is an example of teamwork that proves that we can come together and to promote the growth and excellence of our community. Proceeds from our event support local redevelopment efforts, community events, scholarships, and networking events. It is teamwork that makes our area a better place to live, shop, and do business.

We are grateful to our **Platinum Sponsor, PNC Bank**, as well as our major sponsors **BNY Mellon, Clearview Financial Credit Union, First Commonwealth Bank, ESB Bank, and Brentwood Bank**. Thank you for supporting our communities. To all of the chamber members and local businesses who underwrote many of the day's activities and donated prizes to the dinner raffle, thank you! Thank you to the volunteers who came out on an overcast day to run the beverage carts and watch over the hole in one contest. Special thanks to South Hills Country Club for providing a superb course and delicious meal and entertainment on the greens with their families of squirrels. And finally, thank you to all of the golfers who participated in the outing. It is a pleasure seeing you year after year and meeting new participants.

DONATE YOUR USED EYEGASSES AND HEARING AIDS

During the month of October, Lions across the globe observe "Sight Conservation Month." In recognition of "Sight Conservation Month," the Whitehall Community Lions Club will emphasize the collection of used eye glasses. The used eye glasses that you donate are recycled to improve the vision for individuals in developing countries. Check those drawers and boxes at home and bring any used eyeglasses to the next Chamber meeting on October 6th.

Lions clubs throughout the world have been recycling eyeglasses for more than 80 years. The donated eyeglasses are sent to one of thirteen Lions Eyeglass Recycling Centers where Lions volunteer their time and services to prepare the eyeglasses for distribution by cleaning and categorizing each pair by prescription. Optical missions sponsored by Lions clubs and other groups distribute donated eyeglasses to needy people. Currently, it costs less than eight cents to provide someone with recycled eyeglasses.

(Lions Club Cont.) All types of eyeglasses and sunglasses, prescription and non-prescription, are acceptable. Reading glasses are also useful because many recipients are in need of visual correction to help them perform close-up tasks. Sunglasses are needed by people living near the equator in order to shield their eyes from the sun's damaging rays.

In addition to eye glasses, the Whitehall Community Lions Club also recycles hearing aids. The Center for Hearing and Deaf Services in Pittsburgh modifies the donated hearing aids for clients who may

(Lions Club Cont.) not have the financial resources to purchase a hearing aid. Many times, a loved one passes away and their hearing aids are discarded. These hearing aids can be used to help some one in the Pittsburgh area to regain better hearing. If you have any unused hearing aids, bring them to future Chamber meetings. The goal of these programs is to assist those who are in need both here in the Pittsburgh region and in developing nations. We will collect both eyeglasses and hearing aids at all meetings this year. On behalf of the Whitehall Community Lions Club I express our appreciation for your participation in these projects.
