

## BACKO'S WINDOW DECOR LLC

Backo's Window Decor LLC has been servicing both commercial and residential clients in Pittsburgh and the tri-state area for over 40 years.

I have subcontracted for Sears, Kaufman's, Decorators Corner and Home Depot. I specialize in measuring and installing window coverings such as draperies, sheers, valances, upholstered cornices, wood blinds, pleated shades, solar shades, and plantation shutters. I also provide both cleaning and rehanging services for all your window treatments needs.

I have worked with Asbury Heights, Longwood at Oakmont, Friendship Village of South Hills, The Lamont at Mt. Washington, UPMC and Magee Women's Hospital. I provide estimates for both homes and business alike. I also have my own custom drapery workroom.

If you are looking for a custom window treatment at an affordable price look no further than Backo's Window Décor!
