Springtime and Easter are quickly approaching. Help brighten the day of a service member by sending an “Easter Egg Hunt” overseas. For a \$10.00 donation a service member overseas will receive an Easter Egg Hunt in a bag! Each bag is filled with food, snacks, and Plastic Easter Eggs filled with candy.

If you would like to sponsor a service member please send \$10.00 to Military Connections Corporation. Your ten dollars will cover the cost and contents of the Easter Egg Hunt. You can also include a note or picture and we will put it in the finished package. In order to make sure that the Easter Eggs reach the troops by Easter, **monetary donations are needed by April 12th**.

Want to make your own Easter Eggs Hunt to donate? Simply take a gallon size Ziploc bag and line it with Easter Grass. Buy 12 plastic eggs (any size) fill them with candy and place them in the bag. **Each Egg should have 3 to 4 pieces of candy and be stuffed full.** Please remember that all candy must be wrapped! We will add the other items to make your package complete. This is a great activity for the whole family. Eggs need to be dropped off at Military Connections no later than March 21st.
