PRESIDENT'S CORNER

Chamber Members,

The year is flying by already! I wanted to take a second to thank all of our members that have renewed for the 2015 year and also many thanks to our new members. We truly appreciate all of our members and it is critical to our success that we continue to keep our current members happy and coming back and incenting new members to join. My challenge to all members this month is to find one business, just one, and invite them to one of our lunches this year. Your guest will have the opportunity to experience a great networking event and have a chance to see what we as a chamber have to offer. I am positive they will thank you for the opportunity.

Watch your email for upcoming Chamber and Chamber Member events! If you have an event you would like to have posted on the chamber website, email Mary Dilla.

Remember... Don't just let your business or your job make something for you, let it make something of you. Jim Rohn
