The McClrath Insurance Agency is located on Rt. 51 in Whitehall. The agency was founded in 1945 by Robert McClrath. Since 1978 Mac McClrath has been the owner.

We are an independent Agency which means we represent 13 different insurance companies such as Progressive, Travelers, and Donegal to name a few. These companies specialize in Homeowners, Auto, and Business Insurance.

As an established agency for 73 years we have enjoyed watching the communities of Brentwood, Baldwin, and Whitehall grow. The Chamber has always played a significant role in our business area. We are lucky to have such an active Chamber for our local businesses.

Please feel free to give Mac McClrath, CLU, CIC a call (412) 882-9002 to discuss your insurance programs.
