Dottie and Ray Coll started the Pittsburgh franchise in April of 2005, and in February of 2010, opened a second location in the Sewickley area. Operational quality is important to us. We have regular training sessions for our men on both the technical aspects of the moving industry, safety, and also how to live our mission statement and core values. Emphasis on training has resulted in over 97.4% of our customers indicating via reply cards that they are willing to refer us to family and friends.

Giving back to the community is an important core value and the basis for our tag line, "Movers who Care®." **TWO MEN AND A TRUCK®** has donated moving services on a yearly basis to the following charities: Beginning with Books, Rebuilding Together, American Cancer Society, Susan G. Komen Race for the Cure, Mother's Hope, The Great Race, Hadassah, Easter Seals, PGH Association for the Education of Young Children, Lydia's Place, Adagio Health Services, Whitehall Public Library, Off the Floor, and Cribs for Kids.
