Hoopla: Borrow Music, Movies & TV shows

Hoopla is an online streaming service for public libraries offering movies, documentaries, and music. Patrons can use their web browser, smart phone or tablet.

Go to www.hoopladigital.com and click Sign Up. You will be asked for your library card number. You will also need to create an email address and password.

Each user gets 10 checkouts per calendar month. Checkouts do not roll over from one month to the next.

About every week new materials are added to Hoopla's library.

Hoopla's content can be downloaded, but only to the apps. This allows you to have access to your materials even when you are not connected to the Internet.

All downloads are temporary and at the end of the lending period they are automatically returned. You are not able to download content into iTunes or Windows Media Player.

All apps can be downloaded to your smartphone or tablet by going to your device's store (iTunes, Google Play or Windows Store). To browse online and see more information visit the library's website: Baldwinborolib.org —> Technology —> FREE eBooks, eAudio, Music & More
