Zoe's Beer is a family owned and operated Beer Distributor located at the old Whitehall Beverage Drive Thru on Route 51 across from Brentwood Towne Center. We are often asked why we discontinued use of the Drive thru and to tell you the truth, it's because we enjoy face time with our customer's. We pride ourselves on a friendly environment and outstanding customer service whilst offering an extensive line of Domestic, Craft, Seasonal and Import Beers along with Malternative's, Ice, Cigarettes at State Minimum pricing, Pop and a large assortment of Snacks. Our awesome Craft Room is set up by beer types and there are information cards for most items telling all about that particular beer. Our staff is knowledgeable and always willing to help you find what you are looking for or make informed suggestions based on your preferences. If we don't have what you need we will look into getting it for you. We offer a discount for large orders (weddings, graduations, etc...). For ladies we will carry your items to your car and if it is difficult for you to get into the store, call us and we will bring it out for you.

We regularly offer free beer samplings at the store for a couple hours on an evening. By doing so we hope customers will have the opportunity to try something new with us in a festive personal setting. Our Samplings, Weekly Specials and anything news worthy gets posted in the store as well as on our:

Website (www.zoesbeer.com)

Facebook Page (facebook.com/zoesbeerstore)

Twitter [@zoes_beer](https://twitter.com/zoes_beer)

Weekly emails can be requested on our website, via email zoesbeer@gmail.com or in the store.

Please stop in to meet our friendly staff and Luca, our mascot!
