Zoe's Beer is a family owned and operated Beer Distributor located at the old Whitehall Beverage Drive Thru on Route 51 across from Brentwood Towne Center. We pride ourselves on a friendly environment and outstanding customer service whilst offering an extensive line of Domestic, Craft, Seasonal and Import Beers along with Malternatives, Ice, Cigarettes at State Minimum pricing, Pop and a large assortment of Snacks.

Our awesome Craft Room is set up by beer brewery and there are information cards for most items telling all about that particular beer. Our staff is knowledgeable and always willing to help you find what you are looking for or make informed suggestions based on your preferences. If we don't have what you need we will look into getting it for you.

We offer a discount for large orders (weddings, graduations, etc...) and for a fee we have been known to deliver. For ladies we will carry your items to your car and if it is difficult for you to get into the store, call us and we will bring it out for you.

We regularly offer free beer samplings at the store for a couple hours in an evening. By doing so we hope customers will have the opportunity to try something new with us in a festive personal setting.

Our Samplings, Weekly Specials and anything news worthy gets posted in the store and www.zoesbeer.com
